W2W Notes for Referrers, Employers and Guarantors

Summary of Moped Loan Scheme

This scheme provides the short term hire of mopeds to people living in Hampshire who find it difficult to access employment or training due to lack of public transport. Loans are made for three to six months, depending on circumstances, and may be renewable for a maximum of a further 6 months.

Copies of all relevant documentation can be supplied to Referring Agents, Employers and Parents/Guardians on request.

Referring Agent's/Employer's responsibilities:

All applicants may be referred to the scheme by a recognised agent, such as Social Services, Jobcentre Plus, or an employer. It is also possible to self-refer.

The role of the Referring Agent is to:

- Support the application
- Assist the applicant to complete the form correctly, including making every effort to ensure it is correct
- Ensure the applicant has considered an exit strategy for the end of the hire period
- Be an ongoing contact point throughout the period of the hire

Guarantor's responsibility:

Each referral needs somebody to act as guarantor. This is usually a parent or some other person with the means to cover financial shortfalls.

- In the event of the user falling behind with the weekly loan fee (maximum 2 weeks) or any arrears outstanding at the end of the hire period, the Guarantor will be informed. If the arrears remain outstanding the Guarantor would then be expected to pay.
- Failure to settle arrears will result in the user being withdrawn from the scheme and the moped being recovered, costs may be incurred.
- **The guarantor may also be expected to settle arrears on the costs of any damage or recovery costs being charged to the hirer caused by negligence or wilful misuse.**
- Further steps will be taken to recover any outstanding arrears or costs.
- The Guarantor may also be responsible for any outstanding fines or PCN's incurred by the hirer.

An application will not be accepted without the signature of a Guarantor.
